WORLD FOR WORLD ORGANIZATION

WORLD FOR WORLD ORGANIZATION (www.worldforworld.org) is an Non-Governmental Organization (NGO) in Special Consultative Status with the United Nations that operates internationally with the objective of raising public awareness on issues of Global Development.

WFWO Special Event Team focuses in particular in the mobilization of resources through fundraising and awareness events and campaigns in order to give an appropriate response and act decisively on matters of global interest in the support of the Agenda of the United Nations with a view towards the achievement of the Eight Millennium Development Goals.

EU SUSTAINABLE ENERGY WEEK

On the occasion of the EU Sustainable Energy Week (11-15 April 2011) sponsored by the European Community (<http://www.eusew.eu/>) the WFWO presents an event with a screening of short films, photo and art exhibitions on the theme followed by a live concert.

OBJECTIVES

The objective of the Event is to promote, discuss and celebrate sustainable lifestyles through the use of renewable energies through various art forms such as cinema, photography, art and music.

This meeting represents a first appointment in anticipation of the next initiative promoted by our organization on the occasion of World Environment Day to be held the week of June 5, 2011.

SPECIAL EVENT: Think Green, Live Green, GREEN DRINK!

The Event consists in a cocktail that calls for a “plug-off” from the routine to celebrate a more sustainable lifestyle enjoying a drink by candlelight.
